To whom it may concern:

This is a letter of an intent to lease for three years on 111 Lester Street, Wallington, NJ 07057 on the second floor of the building. GD Entertainment and Technology is a data processing company. We are looking to lease the building space for our servers and a small number of personnel. We look forward to seeing you at the next town meeting to discuss this new endeavor. We appreciate all your help and cooperation in moving forward together.

Respectfully submitted,
